

Network Organizations:
Edmonds Family Medicine
EvergreenHealth Partners
MultiCare Connected Care
Overlake Medical Center
Rockwood Health System
Seattle Children's
SignalHealth
Virginia Mason

Dear Member,

Thank you for choosing UMP Plus – Puget Sound High Value Network (UMP Plus – PSHVN) as your Public Employees Benefits Board (PEBB) program medical plan in 2017.

UMP Plus – PSHVN is a group of eight industry-leading medical organizations — Edmonds Family Medicine, EvergreenHealth Partners, MultiCare Connected Care, Overlake Medical Center, Rockwood Health System, Seattle Children's, SignalHealth and Virginia Mason — that are collectively committed to serving as your coordinated provider network and providing excellent customer service in Grays Harbor, King, Kitsap, Pierce, Snohomish, Spokane, Thurston and Yakima counties.

In addition to these participating organizations, Capital Medical Center in Olympia is designated as a network hospital for Thurston County. This means all hospital services received at Capital Medical Center will be covered at the higher network level.

Supported by Regence, UMP Plus – PSHVN connects PEBB program members to high-quality primary and specialty care close to where people live and work. Our commitment is to provide you and any covered dependents with easy access to the right provider at the right time.

For your convenience, UMP Plus – PSHVN spans seven counties and includes:

- More than 2,300 primary care providers and over 5,000 physician specialists, many of whom offer extended hours
- Approximately 470 clinics, 15 hospitals, over 45 urgent care clinics and an extensive network of emergency departments and trauma centers

IMPORTANT: To receive the highest level of coverage, you and your covered dependents must receive health care services from primary care and specialty providers through any of the participating organizations listed above. In addition to these participating organizations, Capital Medical Center in Olympia is designated as a network hospital for Thurston County. UMP Plus – PSHVN covers facility charges at Capital Medical Center in Olympia at the network level. However, other services at Capital — including all physician charges — are considered non-network, unless the services are due to a medical emergency. Emergency services are covered at the network rate.

To help you understand your UMP Plus – PSHVN plan, this welcome packet includes:

- Brochure about UMP Plus – PSHVN
- UMP Plus – PSHVN participating organization descriptions
- Frequently asked questions

For more information about UMP Plus – PSHVN and to find a network provider, visit PugetSoundHighValueNetwork.org or call 1-855-776-9503.

Thank you for choosing UMP Plus – PSHVN. We look forward to being your health care partner.
